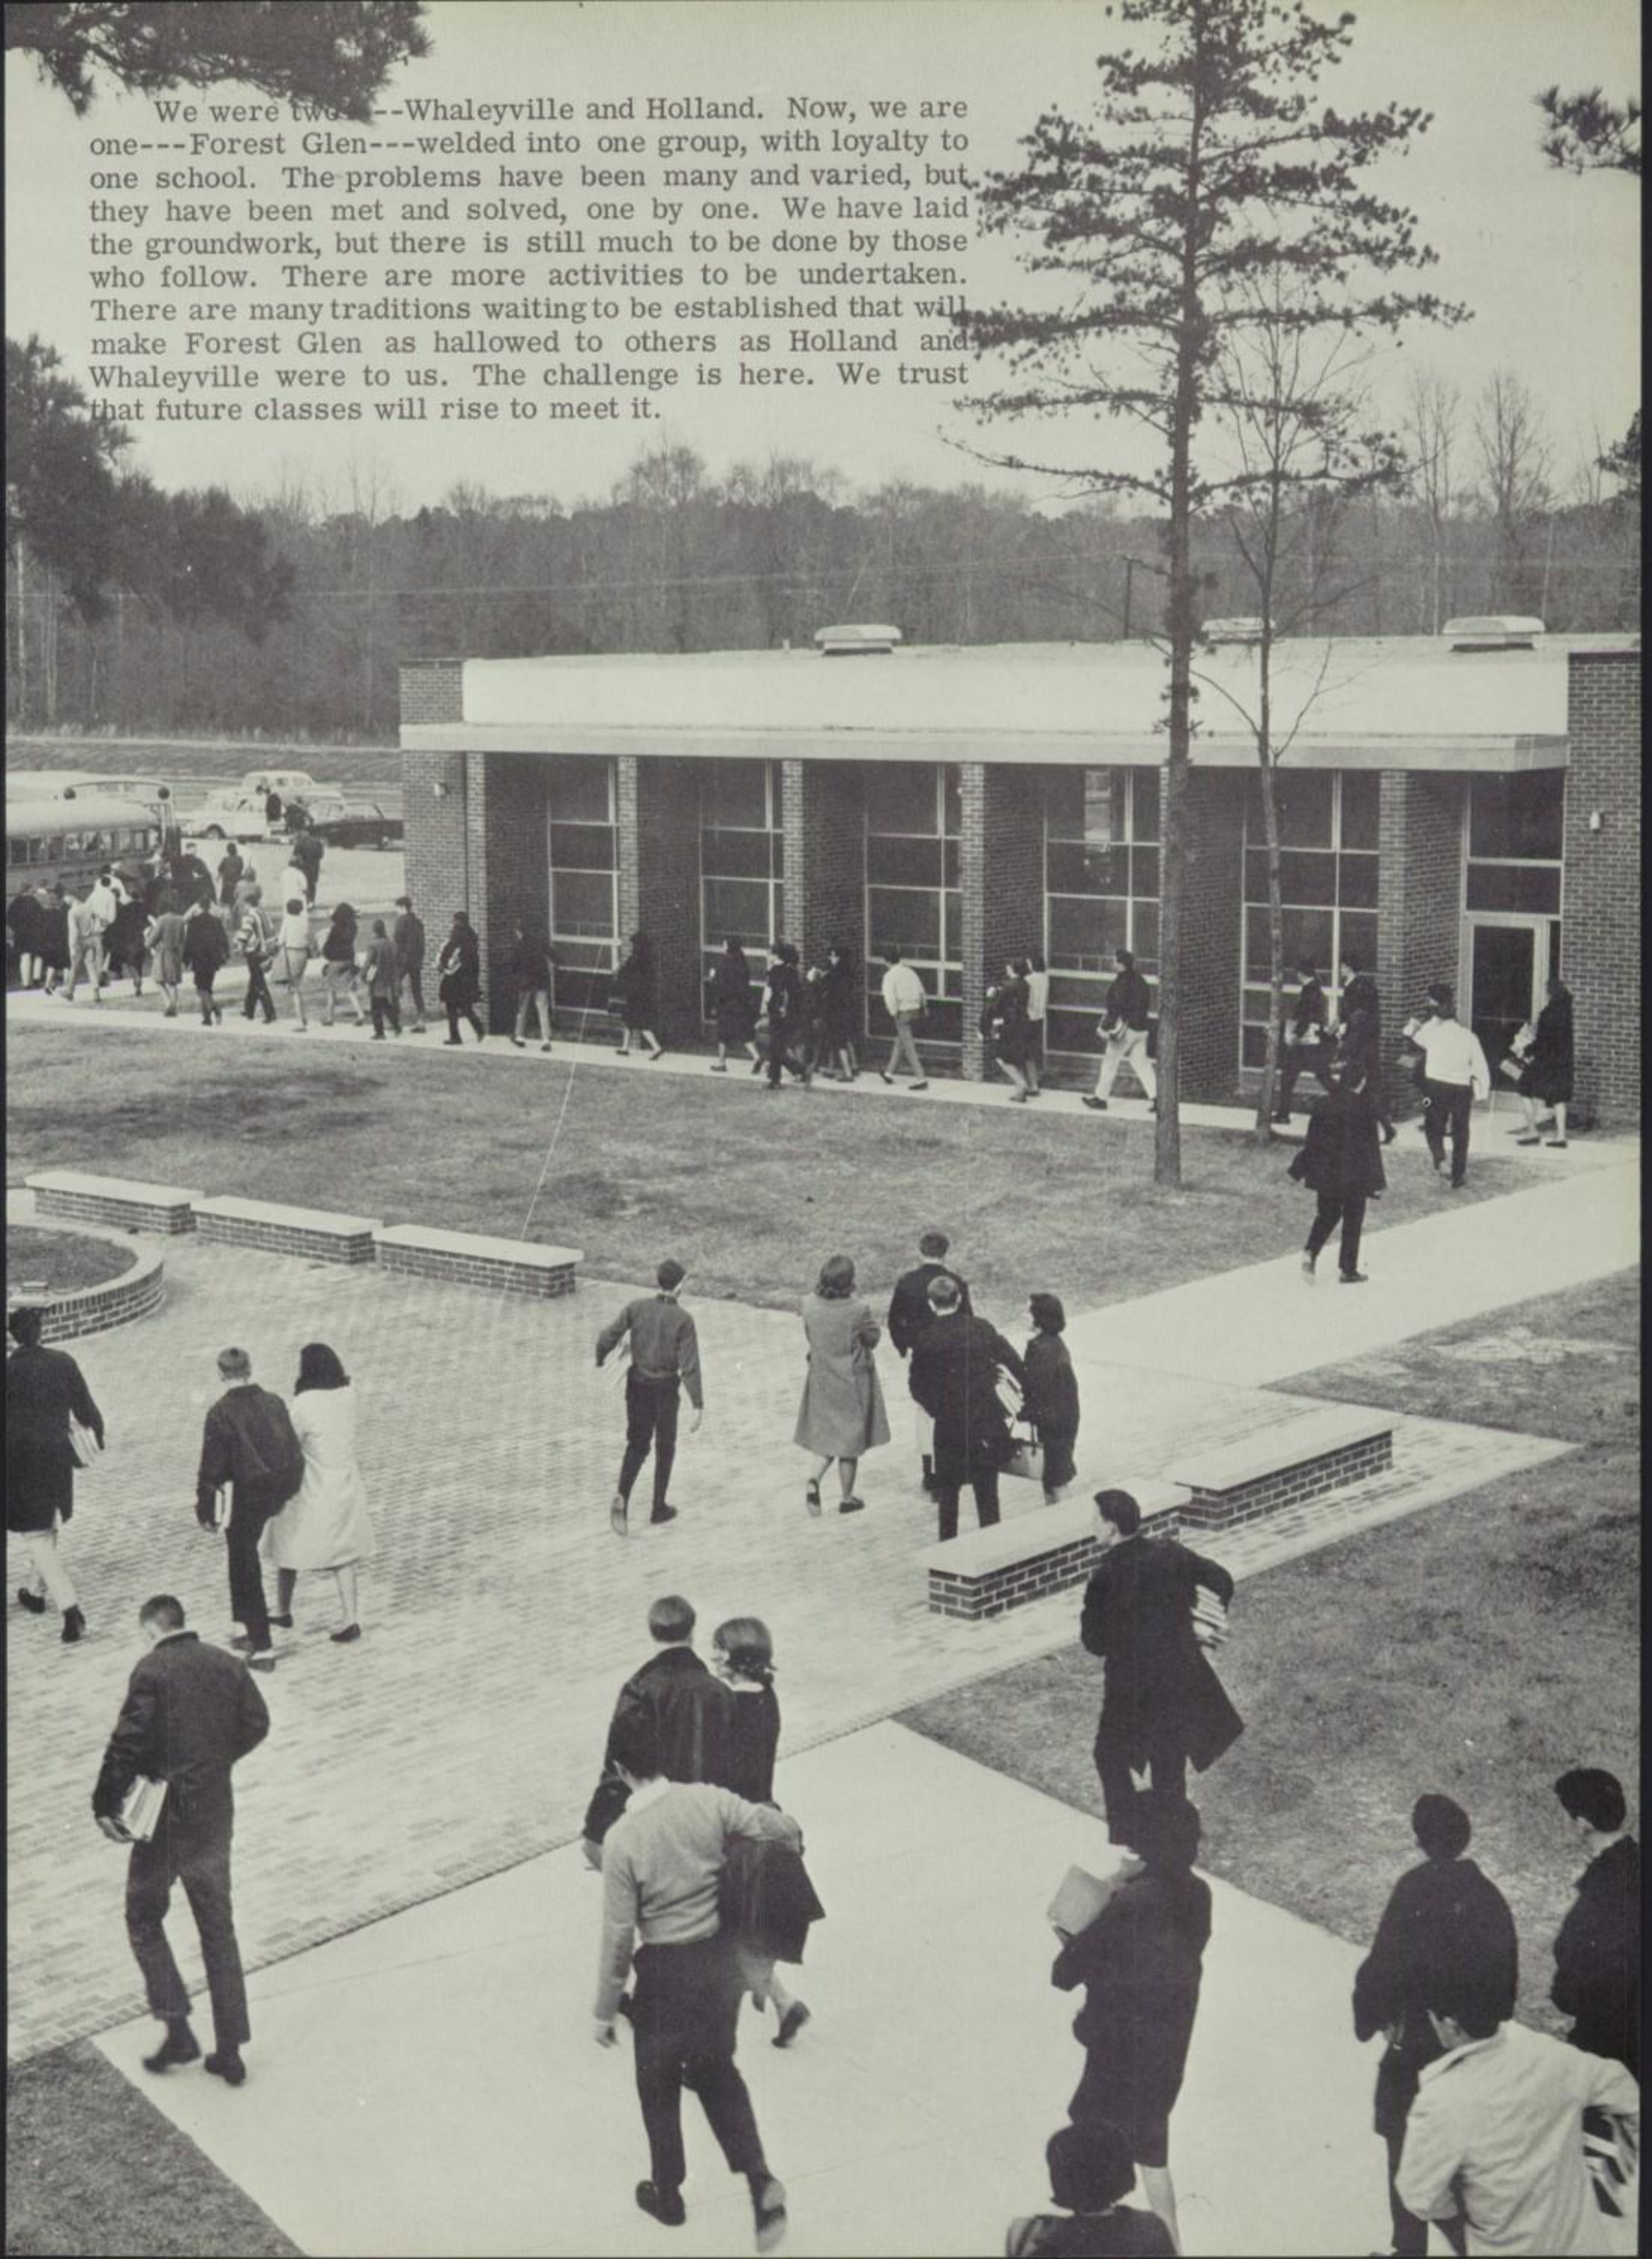
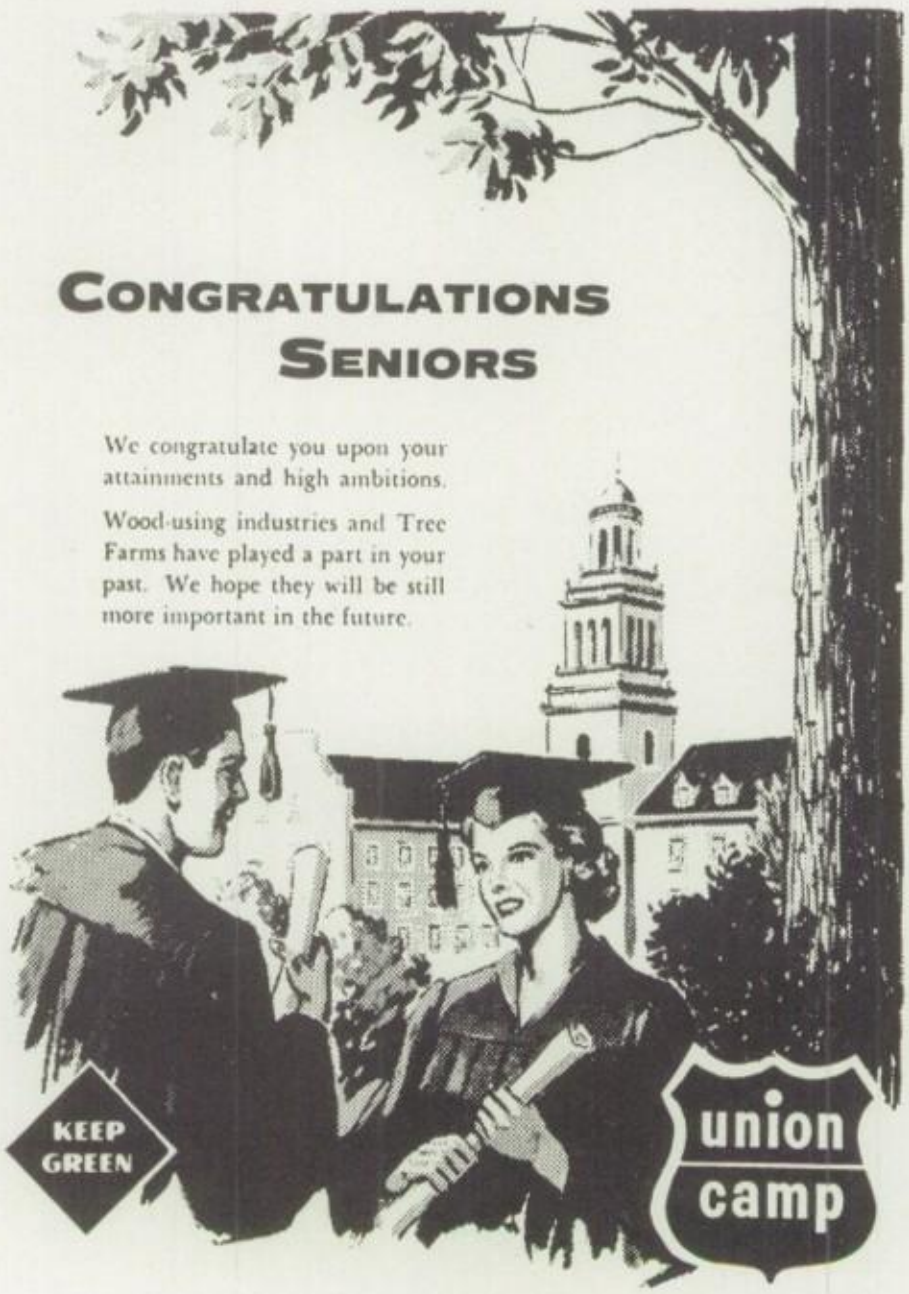
We were two---Whaleyville and Holland. Now, we are one---Forest Glen---welded into one group, with loyalty to one school. The problems have been many and varied, but they have been met and solved, one by one. We have laid the groundwork, but there is still much to be done by those who follow. There are more activities to be undertaken. There are many traditions waiting to be established that will make Forest Glen as hallowed to others as Holland and Whaleyville were to us. The challenge is here. We trust that future classes will rise to meet it.





CONGRATULATIONS
SENIORS
We congratulate you upon your attainments and high ambitions.
Wood-using industries and Tree Farms have played a part in your past. We hope they will be still more important in the future.
